

Put the power of a fire hose in your hand! Nothing beats the power and performance of a fire hose. Our innovative version adds comfort and control to produce the perfect size watering for home and garden use. The Ultimate High Pressure Flow Fireman's Nozzle features reliable, smooth operation every time.

Wash your car, water the flowers or simply rinse your outdoor walls, it quickly and easily adjusts from a gentle spray to a high-pressure stream to ensure maximum water pressure where you want it. The new ergonomic honeycomb handgrip design provides an extra gripping in all conditions thus avoiding manual dexterity and fatigue challenges.

Durable, rubberized, ergonomic design easy to grip handle and nozzle resists damage, rust, leakage, and stands up to abuse for years of reliable operation and a lifetime of dependable performance. Zinc Alloy inner core shaft is durable and longer lasting.

All of our adjustable water spray guns provides the perfect range of pressure for watering.

Secure twist-and-lock mechanism prevents accidental disconnection

⚠ CAUTION ⚠

- For outdoor use with cold water only
- Do not spray near electrical connections
- When not in use, rinse the tool with water to remove most of the dirt, dry your tool, and store indoors

A simple quick adapter (2 pcs) and hose connector (1 pc) with a water stop feature included will simplify your watering experience. Simply connect the connector at the end of your hose, and then attach your accessories to the adapter. You can interchange various accessories in a just a snap without any need to turn off your water tap as the adapter will stop the water flow once you remove the accessories. No more kinking or hose twisting as the adapter allow you to swivel your hose 360° degrees.
