

# 4-PATTERN MOBILE ROTARY GEAR DRIVE SPRINKLER

4 spray patterns to meet all your watering needs - flat, fan, mini and large

Flow through design allows for additional units to be connected in series (Max. suggested sprinklers in tandem: 3)

Spray coverage - adjust the range tabs to change the spray from 5° to 360°

Wide H shape platform design for more stability

Hose connection - added filter to prevent water sediment

Quick Connect Adapter fits all standard garden hoses

*For setup, you can choose Method A or B*

## Method A

Simply attach the gear drive sprinkler to the top of the base and connect to your hose.

## Method B

Connect the adapter to the base, attach the hose with the quick lockable connector, then simply snap in the water hose to assembled sprinkler.

To extend, simply remove the back stop end-cap and attach another hose and connect another sprinkler.

### Spray Pattern Adjustments

Depending on your watering needs, you can manually select from the various pattern settings :

Flat - The flat pattern will provide a flat wave of water.

Fan - The fan pattern disperses water in a wide fan shape.

Mini - Provides delicate plant watering.

Large - This Covers the largest possible area.

### Spray Coverage Adjustment

Adjust the range tabs to change the spray coverage to fit your needs (from 5° up to 360°)

### ⚠ CAUTION ⚠

- For outdoor use with cold water only
- Do not spray near electrical connections
- When not in use, rinse the tool with water to remove most of the dirt, dry your tool, and store indoors

This product can expose you to chemicals including styrene, which is known to the State of California to cause cancer. For more information go to [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov)

The Quick Connect Adapter (2 pcs) and Hose Connector with Water Stop (1 pc) simplify your watering experience. Simply attach the connector at the end of your hose. Then, connect the adapters to your watering tools. Interchange various tools in a snap without turning off the water as the adapter will stop the water flow. No more kinking or hose twisting as the adapter allows the hose to swivel 360 degrees.

Secure twist-and-lock mechanism prevents accidental disconnection

Quick and easy connections to 5/8-inch and 1/2-inch garden hoses, sprinklers, nozzles, and or any other garden watering tools
