

METAL 18" 7-PATTERN WATERING WAND

REACHING CHALLENGING WATERING TASKS

Make watering hard-to-reach places easier with the Eden Metal 18" 7-Pattern Watering Wand. With seven adjustable spray patterns, jet, flat, center, cone, soaker, mist and shower, take on countless watering tasks from watering hanging baskets and delicate plants to cleaning cars or gutters. Whether you want a light mist or more thorough soak, the water flow can be adjusted easily with the smooth thumb control. No squeezing of the handle is required. Cover more areas with less strain on your body with the 180° adjustable head and seven noteworthy spray patterns.

⚠ CAUTION ⚠

- For outdoor use with cold water only
- Do not spray near electrical connections
- When not in use, rinse the tool with water to remove most of the dirt, dry your tool, and store indoors

⚠ WARNING: This product can expose you to chemicals including styrene, which is known to the State of California to cause cancer. For more information go to www.P65Warnings.ca.gov.

The Quick Connect Adapter (2 pcs) and Hose Connector with Water Stop (1 pc) simplify your watering experience. Simply attach the connector at the end of your hose. Then, connect the adapters to your watering tools. Interchange various tools in a snap without turning off the water as the adapter will stop the water flow. No more kinking or hose twisting as the adapter allows the hose to swivel 360 degrees.
