

5" Sprinkler Riser (10-Pack)

Increase the height and reach of your sprinklers by adding this 5" riser. By elevating your sprinklers, you will not only be able to water over obstacles or tall plantings, but also reach further. This is a great way to expand your irrigation system and make your sprinklers work more efficiently for years.

Up to two additional risers can be added to each sprinkler for an extra 10" of height, providing your plants with a soft water flow that will keep them healthy and growing all season long. The risers are designed to be used with Eden sprinkler systems such as the Flex Design Sprinkler Set (97063EDAMZ), Daisy Sprinkler Set (97065EDAMZ), Multi-Adjustable Spike Sprinkler Set (96093EDAMZ), Adjustable Revolving Sprinkler with Spike (94141EDAMZ), Mini Misting Tower Kit (95143EDAMZ), etc.

FEATURES & BENEFITS:

- Rugged Construction:** Made of polypropylene material to last season after season
- Easy Setup:** Easily installed with no special tools required
- Water from Above:** Great for watering over taller plants or bushes
- Better Coverage:** Raise your sprinkler heads for additional coverage

• Simply connect the risers (hand tighten only) for immediate use.

NO SPECIAL TOOLS REQUIRED

Works with all Eden sprinklers systems such as Flex Design Sprinkler (97063) / Flex-Design Daisy Sprinkler Set (97065), Multi-Adjustable Spike Sprinkler with Extension Set (96093EDAMZ), Adjustable Revolving Sprinkler with Spike (94141EDAMZ), etc...
