

EXTENDABLE HEDGE SHEARS with WAVY BLADE

Eden's extendable hedge shears with wavy blade are ideal for cutting, trimming, and shaping hedges, shrubs, and bushes. Effortlessly cut your plants and shrubs to the tips with our Teflon-coated 9" blades. The soft ergonomic rubberized grips give you comfort and control while trimming. The S50C carbon steel blades are ultra strong, stay sharper than your ordinary blade, and last for years!

The compound lever technology multiplies your strength, giving you 2x more cutting power than single-pivot hedge shears. With telescoping handles, you can easily adjust the length to reach hedges and shrubs without using a ladder. Handles extend up to 34 inches (87 cm).

Features & Benefits:

- Prune hard-to-reach hedges and shrubs with the telescoping handle (up to 34 in. | 87 cm.)
- Quickly cut thicker branches with our compound lever design
- Make precise, crisp cuts with our 9" wavy blade self-sharpening design
- Ease hand strain with our ergonomic, non-slip handles
- Clean-up and maintenance are a cinch with our Teflon-coated blades
- Durable carbon steel blades for years of continued use
- Backed by a 2-year limited warranty
