

4-WAY ADJUSTABLE MINI OSCILLATING SPRINKLER WITH TELESCOPING TRIPOD

Tripod length
63.7"
(162cm)

Spray Width tabs (2) control the width of the watering area

20 clog-resistant spray nozzles for even watering

Spray Range tabs (2) control the length of the watering area

360° adjustable radius neck controls spray direction

Water flow control knob adjusts the overall watering area

Step 1

Place the tripod in the area where you want to water. Open the latches to release the legs. Push down on the tripod legs until the legs are well seated in the ground.

Step 2

Attach the Extension Tube to the tripod, then connect the sprinkler head to the top of the Tripod or Extension Tube (do not overtighten).

Step 3

Use the Quick Connect to easily connect and disconnect the sprinkler from the hose. Connect the Product Adapter to the base of the sprinkler. Attach the lockable Quick Connect to the end of the hose, then simply snap in the hose to the sprinkler to begin using.

Note: If you are not using the Quick Connect System, simply connect the sprinkler directly to the hose.

Premium Quick Connect Starter Set fits standard garden hoses and watering tools

43.7"
(111cm)

18.7"
(47.5cm)

Width Control

Sliding tabs control the width (up to 59ft. (18m))

Range Control

Push down tabs control the length (up to 36.1ft.(11m))

Water Flow Control

Allows adjustment of overall watering area.

360° Rotation Adjustment

Allow simple incremental angle adjustments without moving the sprinkler and hose.

⚠ CAUTION ⚠

- For outdoor use with cold water only
- Do not spray near electrical connections
- When not in use, rinse the tool with water to remove most of the dirt, dry your tool, and store indoors

The Premium Quick Connect with Shut Off Valve Set will simplify your watering experience. Simply attach the connector at the end of your hose. Then connect the adapters to your watering tools. Interchange various tools with a snap without turning off the water as the shut off valve of the connector will stop the water flow. No more kinking or hose twisting as the connector allows you to swivel your hose 360 degrees.

⚠ WARNING: This product can expose you to chemicals including styrene which is known to the State of California to cause cancer. For more information go to www.P65Warnings.ca.gov.

Quick and easy connections to 5/8-inch and 1/2-inch garden hoses, sprinklers, nozzles, and/or any other garden watering tools
