## PRO METAL REAR-TRIGGER 4-PATTERN TURBO® NOZZLE

Aluminum alloy construction for years of use

4-Patterns to meet all your  
cleaning & watering needs

Unique thumb-control trigger lock  
with three distinct water flow lock  
settings

Soft dial ring for easy pattern changes /  
protect against damage

Ergonomic design lessens hand  
and wrist fatigue

New Honeycomb design  
provides extra grip in wet  
conditions

**Quick Connect Starter Set**  
fits all standard garden hoses  
and watering tools

Work like a PRO. From cleaning the car to scrubbing the patio, the PRO Metal Rear-Trigger 4-Pattern Turbo Nozzle helps you tackle your most challenging cleaning chores.

Pick from four spray patterns to clean your car with the Turbo spray twist the dial ring to water your garden with the cone setting. The durable, rubberized, easy-grip, ergonomic handle fits perfectly in the hand. The rear trigger incorporates a unique thumb-control trigger lock that allows for three distinct water flow lock settings. Reduce strain on your hands by choosing from the three lock settings to get the right water flow for your watering task.

**Turbo:** Great for large surface cleaning such as gutters, driveways, windows, decks, and deep water penetration of hard soil.

**Jet:** Creates precise narrow strips and reaches long distances. Useful for cleaning soffits, porches, balconies, lawnmowers, snowblowers, quadrunners, etc...

**Flat:** Creates a wide spray of flat water. Useful to disperse and sweep leaves and dirt.

**Cone:** Gives you a circle of spray so that you can water multiple plants all at once.

**Make cleaning dirty surfaces quick and painless  
with the Turbo spray**

**6** ↔ **6** Secure twist-and-lock mechanism prevents accidental disconnection

#### WARNING:

Intended for outdoor use only. This is not a toy. Severe electrical shock could result if water is sprayed into outlets or sources of electrical current. Do not use water more than 115°F (46°C). Do not use when the ambient air temperature is less than 40°F (4.5°C). When not in use, drain and store indoors away from freezing temperatures.

**WARNING:** This product can expose you to chemicals including styrene, which is known to the State of California to cause cancer. For more information go to [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).

The Quick Connect Adapter (2 pcs) and Hose Connector with Water Stop (1 pc) simplify your watering experience. Simply attach the connector at the end of your hose. Then, connect the adapters to your watering tools. Interchange various tools in a snap without turning off the water as the adapter will stop the water flow. No more kinking or hose twisting as the adapter allows the hose to swivel 360 degrees.
